

THE CHERRY

5oz Cotton Mini bag

Available In

- Natural

Description

The Cherry tree is known for its amazing cherry blossom which is only around for a short time before falling. This symbolizes our very small but effective 5oz cotton bag. Which can be used for multiple gift ideas and also when a larger cotton bag is too large for what it needs to hold, these are a fantastic addition to our cotton bag range. Although small, this bag has a massive impact with multiple branding options available. We give to you 'The Cherry'.
