

THE SYCAMORE

5oz Gusseted Water Repellent Cotton Bag

Available In
● Natural

Description

The Sycamore is known for its extensive root systems that anchor hillsides and islands, helping it endure floods and erosive forces, hence why we have named our 5oz cotton water repellent bag the Sycamore. Its oil based coating can help keep your belongings dry where water can run off of the bag, This coating can also be reduced and removed if washed so the bag can be fully recycled. We give to you 'The Sycamore'.
